SPECIAL SOUVENIR PROGRAM

PHILIPPINE NATIONAL ANTHEM
(Pambansang Awit ng Pilipinas)

Bayang Magiliw
Perlas ng silanganan
Alab ng puso sa dibdib mo'y buhay
Lupang hinirang,
Duyan ka ng magiting
Sa manlulupig di ka passisiil.
Sa dagat at bundok, sa simoy at sa
langit mong bughaw,
May dilag and tula at awit sa
paglayang minamahal,
Ang kislap ng watawat mo'y
tagumpay na nagniningning
Ang bituin at araw niya
kailan pa ma'y di magdidilim
Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo.
Aming ligaya na pag may mang-aapi,
Ang mamatay ng dahil sa iyo.

MESSAGE

It gives me great pleasure to greet the Filipino Association of Denmark on the occasion of the 87th anniversary of the proclamation of Philippine independence.

All Filipinos have good cause to celebrate this year's independence anniversary. We have begun the long, hard climb up the road to economic recovery. The initial results of the measures of self-discipline and self-sacrifice that we have assumed in order to hasten the day of full recovery have been most impressive and encouraging. No doubt much remains to be done, and the road ahead is full of challenges and potential pitfalls. But as our people's history has abundantly demonstrated, the Filipino never flinches from danger and adversity and his courage and determination are most pronounced when the crisis confronting him is at most perilous. So it is and will be throughout this arduous struggle for economic recovery, leading to long-term progress and prosperity.

It is on this note of optimism and high hopes that I greet our kababayans in Denmark on this special day: Mabuhay!

(SGD.) J V CRUZ

Ambassador Extraordinary and Plenipotentiary
to the
Court of St. James's and the Kingdom of Denmark

MESSAGE

Once again it is a privilege for me to convey a message on the occasion of our celebration of the 87th Independence Day of the Philippines.

I take this opportunity to express my gratitude to the new officers of the Filipino Association of Denmark now being in action already for quite a time. It is my sincere hope that this good beginning shall continue and that the good will and willingness to understand each other always is the basis for our cooperation.

"Mabuhay!"

THORKILD ERRITZØE
Phil. Consul General a.h.

MESSAGE

It is with great pleasure that I congratulate the Filipino Association of Denmark for benefitting us once again with the opportunity to gather and recall the inauguration of the First Republic 87 years ago in Kawit, Cavite.

The main concept beyond this annual occasion is for us to reaffirm that we are a people of an inherent national identity, culture and consciousness - that we are first and foremost freedom loving Filipino, true and faithful to our native land.

Let us therefore together join hands and say, "Mabuhay ang Pilipinas".

BENJAMIN B. GARCIA
Chairman
Board of Trustees

MESSAGE

It is with great pride and pleasure to join our country in celebrating the 87th Anniversary of the Philippine Republic.

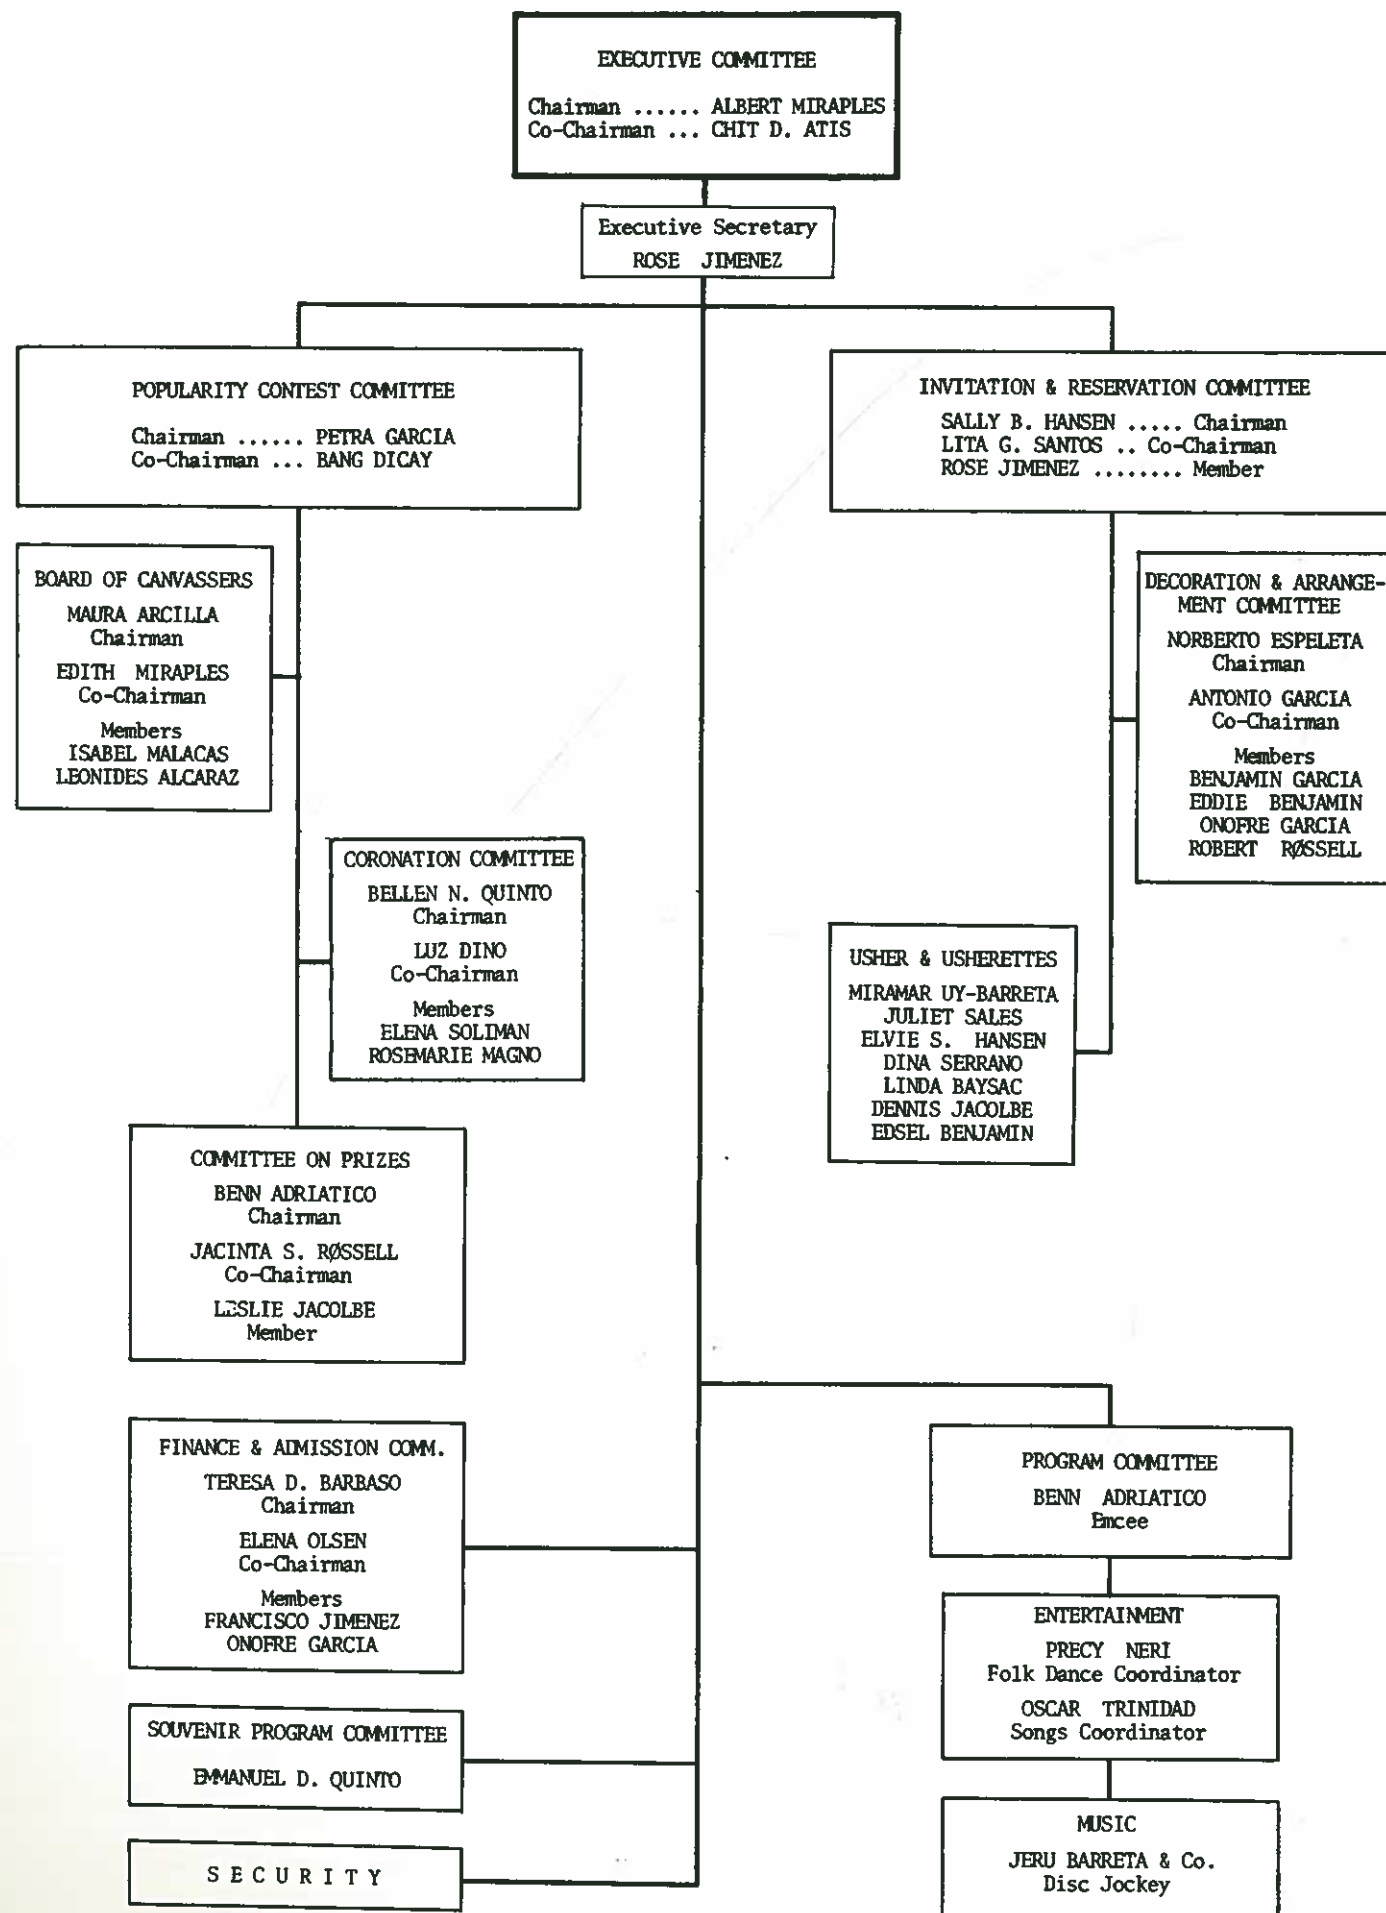

In dedication to our forebears and countrymen both abroad and in the Philippines, we endeavor to treasure our traditions and preserve our culture thereby promoting recognition of our race in foreign land.

And as we look far ahead, the image of tomorrow's Filipino Community is the reflection of what we do today.

"Mabuhay ang Pilipinas! Mabuhay ang ugat Pilipino!"

**Dacia vinder i
Tour d'Europe**

Oktober måneds 5.800 km. lange udmattelsesløb gennem 6 europæiske lande beviste, at Dacia kan tage

kampen op mod de bedste vesteuropæiske og japanske biler og vinde. Ud af 58 startende hold gennemførte 31. Dacia kom som det eneste est-mærke i mål, både Skoda og Lada måtte opgive undervejs.

Dacia hjemtog følgende placeringer:
- 1. plads i 1300cc klassen med Dacia 131D.
- 1. plads i 2000cc klassen med Dacia Sport Turbo.
- 1. plads i Club Team.
- 1. plads i Nations Team.
- 4. og 5. plads i den samlede stilling.

5.800 km. rally er skrap kost for enhver bil - måske stiller De ikke de samme krav til Deres hverdagsvogn. Men når De sidder bag rattet i Deres nye Dacia, er det rart at vide, at den kan holde til lidt af hvert.

Dacia 1210 er en stor 4 personers Renault 12 bygget i den bedste kvalitet: Forhjulstræk, stofindtræk, børnesikring, 4 forlygter, matsort kofanger, o.s.v. - til et pris.

Disse biler kan købes uden udbetaling med meget små afdrag og fradrags berrigtige renter som din egen bank næppe billigere.
