CONDUCTING

Proud Of Our Two Fellow Pinoys

The FAD and the Filipino Community express their hearty commendations to Norlita Poulsen and Cornelio Garcia for excellent achievements.

Norlita Poulsen, who hailed from Cebu was named Maid of the Months of March and August, 1987 at the Sheraton-Copenhagen Hotel. Later, she was named Employee of the Month of November and finally Employee of the Year 1987. This year, she was invited by ITT officials to attend the awarding ceremonies in New York to receive the ITT gold ring, the highest award given to employees.

Cornelio surprised his parents Ben and Myra when he came home one day with a trophy and gold medal. The worried parents wondered where the son got those awards. Cornelio humbly explained that he won them in a bowling tournament in Gladsaxe where he was named the champion. Cornelio is a member of the SISU bowling club.

From the FAD, kudos to both of you!

We express our sympathetic sorrow to ISABEL MALACAS whose beloved father left this worldly life to join our Lord.

Likewise, condolence to the relatives, friends and acquaintances of the late NAOMI PONCE. She was responsible for the UP Concert Chorus performance in Århus in May. She wished that instead of flowers for the funeral, money will be sent in order to help the choir. She was interred in Århus last April 25.

News Clips

These clippings tells the participation of the dance troupe under Sister Pilar during the recently held women's congress:

Presidenten for Københavns Erhvervs Kvinder, Mette Sundby-Brandt, overraskede kongres deltagere med bl.a. underholdning og dans fra Filipinerne

Der var indtil flere tjenere der kastede et ekstra blik ind i kongressalen på Hotel Scandinavia forleden aften, hvor organisationen af Københavnske erhvervskvinder

afholdt kongres. Her var stemning og farver for enhver smag. Filipiniske dansere opførte forskellige danse og ritualer fra deres hjemland, i takt til udsøgte filipiniske rytmer.

FREDERIKSBERG POSTEN

23. april 1988

Den dygtige filipinske dansetrup viste bl.a. national dansen Tinikling.

We Hear We Say!

We Heard: Many Filipinos do not have any telephone etiquette. Are they scared to say their names on the phone? They sometimes sound like anonymous or obscene callers?

We Say: No comment!

* * * *

We Heard: Does your column "We Heard...We Say" aim to de-Filipinize Filipinos?

We Say: "Bato-bato sa langit ang matamaan ay huwag magagalit!"

We don't aim to wash dirty Filipino linen in front of the Danish public. But some dirty linen badly need sun-bleaching or "pagkukulada".

* * * *

We Heard: In Hongkong and Tokyo the term Filipina refers to house-maids. Like Filipinos refer house maids as "muchachas" or "achays". They even have Filipina dolls with a chamber maid costume.

We Say: "Tanggapin ang tadhana at katutuhanan"

Well, this is all for now folks. We can't waste anymore paper for gossips. Till next issue!

EAGLE Bowlers Move Onward

The Eagle Bowling Club is holding an all-Filipino bowling tournament on May 28, 1988. The tournament is aimed to encourage more bowling enthusiasts and develop those who have interest or inclination in sports. This reckons the fact that many Filipinos are into bowling (and basketball) as to Danes into football. Who knows if the club will be able to tap Filipinos who will be like Paeng Nepumoceno.

Interested parties are welcomed to join and contact the chairman, Ben Velasquez on telephone (01) 52 06 83 or Roger Hacinas on (01) 97 07 23.

Plus & Minus

After the evaluation of the recent Danish Basketball League, FAD II, coached by Boyet Garcia, ranked second. More power to the players! On the other hand, FAD I was disqualified to join the next season.

April 15

The Rotary Club, Hillerød Chapter sponsored an international show where the "Maharlika FAD Dancers" contributed four Philippine folk dances, namely "Tinikling", "Pandanggo Sa Ilaw", "Estudyantina", and "Binasuan". The event was aimed to fund the Rotary international vaccination program against polio.

The Rotary's statistics show that the club had immunized 11,603,000 children last in the Philippines alone.

April 23:

The same international show was sponsored by the Rotary Club, Virum Chapter. The was also to help the international vaccination program.

The show was arranged by Nancy Canon and Jørgen Storck. The duo was also responsible for the other past events where the dance troupe participated.

April 24

The "Sawadee Thai-Danish Association celebrated the Thai New Year, a week later, with a big bash. The dance troupe was invited to entertain the audience with Philippine folk dancing.

Mr. Surin Nuangsen, a member of the club recommended the dance group to perform after he had seen the latter during the Valentines Party last February 13.

The Chairman of the club unendingly thanked the troupe and hoped for a closer relation of the two clubs.
