

Maalaala mo kaya
 Ang sumpa mo sa akin?
 Na ang pag-ibig mo ay
 Sad'yang di magnanaliw.

Kung nais mong matanto
 Buksan ang aking puso;
 At tanging larawan mo
 Ang duo'y nakatago.

Di ka kaya magbago
 Sa 'yong pagmamahal
 Hinding hindi giliw ko
 Hanggang sa libingan.

O kay sarap nabuhay
 Lalo na't may lambingan;
 Ligaya sa puso ko
 Ay di na mapaperam.

MORE EXPRESSIONS OF GRATITUDE

In behalf of the FAD Officers, Mrs. Luz Koudal, FAD secretary sincerely thanks those who contributed to the success of the recently held Children and Adults Christmas Party, most especially to the following kind hearted people: Mr. and Mrs. Fred Santos, Benn Adriatico, Mr. & Mrs. Jens Ole Stilling, Mr. & Mrs. Simeon Poblete, Zeny Jacobbe, Mr. & Mrs. Larry Alejo, Maria Paz Bringas, Mr. & Mrs. Birger Koudal, Dan-Køb and Lejetøjhuset of Frederikssund Centret, Mr. & Mrs. Bob Røssell, Mr. & Mrs. Manny Quinto, Elena Olsen, Mr. & Mrs. Jess Nielsen, Mr. & Mrs. Serafin Roda, Naty Cabildo and Tina Bendtsen.

WE Hear.....WE Say.....

Many active & inactive members and non-members as well are glad to notice the gaining momentum of the FAD. The sports and cultural programs are improving. Many parents are happy to note that these programs are geared towards the development of their children or the youths, a swell opportunity for the young to do something worthwhile during their free time.

* * * * *

Many children participated during the recently held Christmas party. It was very obvious to see the proud smiles of the parents. As if they were saying, "O, anak ko yan! Anak ko yan!".

This should inspire other parents to encourage their children to take part in FAD activities. Some do it too early, i.e. bringing their little babies in their crib to the party, just to let the babies have already a glimpse of involvement.

* * * * *

A member commented that the FAD is still lacking program (sure we do miss a lot) for the youth: a leadership training. All the while, when the elders will soon exit, who else would take over if not the young?

She is right. But what exactly is a leadership training? To make the youths become officials? Politicians? Activists? The answer is NO!

Such programs aims to develop the youths' skills in being aware of their environment, be critical about it and yet able to propose a workable alternative, be able to attack analytically a problem, to be able to lead without bias and be a good follower as well.

Cultural Scoop

The Maharlika FAD Dancers are again invited to perform in a Valentines Party in Malmø, Sweden. The hospitable group, the Swedish-Filipino organization will be shouldering the travel and accommodation expenses of the dancers.

* * * * *

The dancers shed off their dancing shoes last December 17 and put on their singing voices to go carolling at the stores of the Frederikssund Centret. The Danes were delighted to see such a different sight during Christmas season. Thanks to Mrs. Mila Roda and Al Balbuena, guitarist who transported the dancers to and from Frederikssund. The proceeds from the carolling was used to buy some of the gifts for the children during the Christmas party.

* * * * *

It was on January 26, 1988 when the group danced for the Optimisterne Klub's party in Lynøby Store-centret. "Tinikling", "Estudiyantina", and "Binasuan" were very much applauded.

WE HEAR.....WE SAY..... continued

There will be series of seminars with different resource speakers, group dynamics, sensitivity training, and individual awareness. Like sports and cultural programs, leadership training involves money too. The effect is long range and not overnight.

Now, how many parents and officers will be able to appreciate this?
