

THE F.A.D. SONG

I

In Friendship and Unity,
We join hands in F A D.
We'll spread Philippine Culture,
Love and Hospitality.
We'll help members with their rights,
In this friendly foreign soil,
And show our Danish friends,
Faithful hearts and minds unspoiled.

Chorus

We will strive to live like Danes do,
Ne'er forgetting our own too.
Making our Youth to remember their
Roots,
It's the only way to a Life of Truth.

II

In Friendship and Unity,
We join hands in F A D.
We'll gather in harmony,
At Social and Sports activities.
We'll help spread "Comradery",
In this friendly foreign soil.
And show our Danish friends,
Faithful hearts and minds unspoiled.

(Repeat Chorus & I)
